Dear Mr. Bradley

This letter is in response to your request for additional information for the April Quarterly Report 1/1/2020 - 3/31/2020.

Below are the responses outlined by number:

Question 1 Only the 2/29/2020 expenditures were disclosed on the 24-hour report. Amendment filed to include additional expenditures.

Question 2a. Payroll estimate of 2287.50 should have been to TOP and in the amount of 2122.54 - 24 hour amended

b. Payroll estimate of 762.50 should have been in the amount of 707.51 - 24 hour amended

c. TOSKR estimate of 5338.80 should have been reported as The Movement Cooperative - 24 hour amended

d. TOSKR estimate of 1779.60 should have been reported as The Movement Cooperative - 24 hour amended

Question 3 24 hour reports amended to include missing expenditures

Question 4 Quarterly report amended to include memo text

Question 5 24 hour report amended to include information on support or opposition to candidates

Question 6 Taking Texas to the TOP believes that it has properly disclosed contributors who gave for political purposes. Since the organization raised less money for political purposes than it required to engage in its independent expenditure efforts, organizational funds not requiring disclosure were used to make up the remainder. As the organization is not a political committee, its contributions subject to disclosure are not required to balance with its expenditures regulated by the Act.

I hope this addresses your request for additional information.

Sincerely,

Chris Koob
